

# CABINTEELY COMMUNITY SCHOOL

Excellent co-educational school located in the friendly village of Cabinteely, just south of Dublin!

Cabinteely Community School is a thriving and vibrant co-educational school. The school's underlying core values are care, courage, and support. The caring and collaborative teaching staff create positive relationships with the students and affirm their participation in school life. Students are the heart of the school and teaching staff strive to create a warm and inclusive atmosphere because they believe that students need to feel that they belong and are part of a community if they are to learn successfully.

A varied and innovative curriculum is on offer and the school is also noted for its

excellent modern facilities, including a fully-equipped fitness gym, a range of sports pitches, 5 science labs, several technology suites, and a nurture room.

The wide range of extra-curricular activities available to students at Cabinteely Community School gives them opportunities to create positive relationships with other students and staff and encourages them to benefit personally from positive socialisation and learning beyond the classroom.

International students always receive a warm welcome at Cabinteely.

## DUBLIN

Dublin is a small capital city with a big reputation and is renowned for being one of the most lively and welcoming cities in the world! Youthful and cosmopolitan, it is the perfect location choice for international high school students who want to experience Irish life in an exciting fast-paced environment.

With charming cobbled streets, quirky boutiques and world-class attractions and museums, Dublin offers endless possibilities for fun and learning. It's also easy for students to explore outside the city, thanks to excellent transport connections both to the seaside and to other Irish cities. The city's beautiful eastern coastline is the perfect place to enjoy long walks, fish & chips and breathtaking views.
