Excellent co-educational school located in popular Co. Galway!

St. Cuan's College is a catholic co-educational school located in Mountbellew, Co. Galway. The college is dedicated to the academic, social, cultural and spiritual growth of its students. All students are valued members of the college community and through the provision of a comprehensive curriculum the teaching staff ensures that they are given every opportunity to develop to their fullest potential.

The academic performance record at St. Cuan's is excellent, with Leaving Certificate students achieving scores

well above the national average and over 90% of them progressing to university education each year. In the pursuit of academic excellence, however, the college never loses sight of the individuality of each student. Students at St. Cuan's thrive because they are supported, encouraged, cared for and feel a real sense of belonging.

The college has an enviable reputation in a wide range of extra-curricular and co-curricular activities including debating and public speaking, various sports and music groups and an annual college musical production.

## CO. GALWAY

Breathtaking beaches, incredible architecture, traditional Irish music– these are just a few of the things that students who choose to live in Co. Galway can look forward to experiencing during their exchange year.

This county is the perfect destination for students who wish to experience Irish culture at its finest and most authentic. In the rugged and green rolling hills of the countryside they will be made to feel right at home and will get to try out all sorts of interesting activities in their spare time. During visits to the bright lights of Galway city (the 2020 European Capital of Culture) they will be able to enjoy everything from street art and music festivals, to modern Irish food and shopping in quirky independent boutiques.

Galway is a county famous for its vibrant culture and its stunning scenery, but most of all it is known for its friendly locals who have a strong tradition of welcoming visitors and hosting international students.
